[ICRA and Project Steno: Creating a Bright Future Webinar](#)

ICRA is excited to announce that we have partnered with Project Steno to bring you an online seminar and up to 0.4 CEUs. It will be held October 3rd, 2020. NCRA has approved the credits and has also extended the Sept 30th deadline so that your credits from this seminar will count towards this current cycle if needed.

Not only will you be helping Project Steno by signing up for this seminar, but *ICRA also receives the majority of the proceeds for all Idaho reporters who sign up*. Since we were not able to have our annual seminar this year, this is a great way to help the association. We have big plans coming your way this year!
